

FEBRUARY 2017 Newsletter

Dear TCH LaSalle families,

As we are starting to see some wintery weather arriving, it would seem to be a perfect time to remind our families of the policy on school closures. We follow the lead of the local school boards. **If the school board announces school closures then we will be closed also.** It is more common to have days where only the buses are cancelled – this only affects our small group of Before and After School children. If the County buses are cancelled, you will be responsible for taking your child to school and collecting them from school. Bus cancellations and school closure information can be found at **AM800** or by checking www.buskids.ca. Please also 'like' the TCH Montessori Facebook page as information on closures and bus cancellations is also posted there, in addition to our regular postings.

During the last week of the month we will be celebrating **Montessori Week** around the school – recognizing the important discoveries that Maria Montessori made over a century ago that are extremely relevant to today's research into early childhood development.

Find us on Facebook!

Sincerely,
Lindsey Thompson
Principal, LaSalle Montessori
