

## MAY 2017 Newsletter

Dear TCH LaSalle families,

As the weather turns warmer, please ensure you have handed your child's teacher a **LABELED SUNSCREEN, minimum SPF 15**. Some sunscreens have peanut-based ingredients with words like "arachide" or "arachdyl alcohol". Please ensure you are checking your child's sunscreen before sending it in to school as those with peanut based ingredients will be returned to you. Please apply sunscreen to your child before arriving at school in the morning as required by the sunscreen policy in your registration package. Teachers will then re-apply sunscreen for the afternoon outside time and as needed at other times. If your child does not have their own sunscreen, we are unable to use someone else's, so please ensure you bring some in.

We are celebrating those special people who are mothers to us this month; some classes celebrate Tuesday 9<sup>th</sup>, Thursday 11<sup>th</sup> and some Friday 12<sup>th</sup> May. Please see your child's teacher for specific times and to sign up if you are able to attend.

Now that Spring had properly sprung, we will be sprucing up the garden areas outside and doing some fresh planting. Our butterfly larvae arrive this month, so we hope we can have some plants to release them onto when they hatch out as butterflies in June! Watch out for growing and gardening projects across the school this month.

And finally, for those children who will be graduating and leaving for JK/SK we will be sending home invitations soon. Graduation will be at the Fogolar Furlan on Tuesday June 6<sup>th</sup> at 6pm.

Sincerely,  
Lindsey Thompson  
Principal, LaSalle Montessori
