

NOVEMBER 2016

Newsletter

Dear TCH LaSalle families,

As we enter into the cooler months, with the heating on inside, illnesses begin to spread rapidly. Please be diligent and help to keep our children healthy and free of illness. With your help we can achieve this together. If your child displays any of the following symptoms please keep them at home with you. This is where they most want and need to be. If your child is not well enough to participate in all activities, including outside time, please make arrangements to keep them at home.

- | | |
|-----------------------------|--|
| Fever | Abdominal Pain |
| Vomiting | Diarrhea |
| Rash | Difficulty breathing or untreated wheezing |
| Green, Runny Nose | A painful red throat, even if fever is not present |
| A deep hacking cough | |
| Complaints of pain in ears. | |

We also provide new 70% alcohol-based hand sanitizers in every classroom which are for adult use only. Please ask the staff to show you where their new pump is and sanitize on arrival to the school and as

you leave. In this way, we can help to prevent germs from coming into the school and also from going home with you. If you are visiting the Bambini Program, please remove your shoes at the door, or ask for shoe covers, which are always available.

Don't forget that the clocks go back at 2am on Sunday 6th November, so you get an extra hour that day.

On Friday 25th November we are having a TCH costume party day! Children can come dressed as their favourite character/role-model/community helper that day, but please do not send accessories with costumes that promote violence (swords, guns etc.), thank you.

Please check your child's cubby to make sure that their spare clothing supplies are all seasonally appropriate – it's safe to say that shorts can go home now 😊

Sincerely,
Lindsey Thompson
Principal, TCH LaSalle Montessori

Sunday 6 th	Daylight Savings Time Ends	
Friday 11 th	Remembrance Day	
Wednesday 16 th	International Day of Tolerance	
Sunday 20 th	National Child Day
